

FROM THE OWYHEE COMMUNITY HEALTH FACILITY
INCIDENT MANAGEMENT TEAM
PUBLIC ANNOUNCEMENT ON 2020 COVID-19 #11

June 3, 2020

COVID-19 Community Information

As of Tuesday, June 2: 60-Total tested for COVID-19, 60-Negative, 0-Pending

Newborn Assessment & Vaccination: If you have a child between newborn and 24-months, please call Outpatient for an appointment. (See #s below). Appointments are Tuesday and Friday mornings. Starting Tuesday, June 9, 2020.

Annual Vaccinations for the Elderly are available, please call Outpatient for an appointment (see #s below). Appointments are Tuesday and Friday mornings. Starting Tuesday, June 9, 2020.

Face Masks: Please keep your mask. Wear your mask to the facility and in the facility. Help us maximize our Personnel Protection Equipment (PPE) supplies.

Pharmacy medication can now be picked up at the window just before entering the OCHF on the west entrance.

- **For med pick up, you will be asked the following: Chart # and Name on Record.
- **If a family member/friend picks up your meds, these 2-questions will be asked for identification.
- **For pick up of controlled medications, the patient must come into the OCHF and sign the signature pad.
- **The Yellow marked area in front of the outside med pick up window is a designated patient care area. Please respect all patients' privacy.
- **For medication refill orders, you may call pharmacy at 775-757-2403, ext #4311 or you may order at the window. Allow 24-hours from your med refill order before your med pick up.

Please call the OCHF at the following #s before coming for services:

Outpatient: (775)757-2403 extension #4237
Pharmacy: (775)757-2403 extension #4311 or at the outside window
Dental: Emergencies Only, Sign in at scheduling: 8:00-8:30am M,T,W,&F
Behavioral Health: (775)757-2403 extension #4241

Please practice SOCIAL DISTANCING, STAYING HOME and WASHING YOUR HANDS.
