

Request for Proposal: Irrigation Pipeline July 26, 2024

INTRODUCTION:

The Shoshone-Paiutes of the Duck Valley Indian Reservation are now accepting bids for the installation of the 'Irrigation Pipeline' scheduled for Fall 2024. This project, known as the Agency Lateral FG Pipeline, is part of the Duck Valley Irrigation Project. Design drawings, reports, and construction specifications can be accessed on the Tribal website at www.shopaitribes.org, on the index on the left side of the page, click on "Tribal Administration", then at the header of the page, the project will be under "Irrigation". Materials and supplies for the installation will be procured through a separate process involving multiple quotes and will be provided to the selected installer.

LOCATION:

The Duck Valley Indian Reservation is a rectangular area approximately 20 miles long and 20 miles wide that straddles the Idaho-Nevada border. The location of the Irrigation Pipeline within the Duck Valley Irrigation Project is detailed on the first page of the Engineering plan, available on the Tribal website at www.shopaitribes.org, on the index on the left side of the page, click on "Tribal Administration", then at the header of the page, the project will be under "Irrigation".

CONTRACTOR QUALIFICATIONS:

Contractors bidding this work shall have current contractor's license for Idaho/Nevada.

Contractors bidding this type of work shall provide recent work history similar to this type of work, for the last 5 years, with names and telephone numbers to allow the Owner to contact them to discuss past work performance.

BID PREPARATION:

The Shoshone-Paiutes of the Duck Valley Indian Reservation will receive bids for said work as described herein by the close of business on August 9, 2024. The time frame of the project will be based on weather conditions, but is preferred to commence as soon as possible or as weather conditions allow.

Bids can be sent via USPS, UPS, or FedEx to the Natural Resources Building at the Tribal Headquarter complex, "**Attn: Pawan Upadhyay – Irrigation Pipeline Bid Enclosed**" on the outside of the envelope. Mailed bids will be accepted at: PO Box 219, Owyhee, NV 89832. Electronic bids or bids by fax will be acceptable, send to (208)759-3104 (fax) or to upadhyay.pawan@shopai.org with the above information on the cover/subject. Bids must contain the signature by a company representative approved to represent the company. Hard copies with original signatures must be provided at the time of the contract signing. Please indicate earliest contractor availability in the bid. Successful bidder will be required to sign a standard Tribal contract for the entire scope of work. Contractor must retain records for audit purposes for a minimum of 5 years. Trash/debris disposal is a requirement of the Contractor, and shall be done under a lawful method.

The Tribes reserve the right to accept or reject any or all portions of a bid, at their sole discretion. Further, the Tribes accept no responsibility for any costs involved in preparing or submitting a bid.

FUNDING:

Funding is provided by federal funding and no other funds are available. Certified payroll must be submitted to TERO – contact John Crum at (208)759-3100 ext. 1234 or crum.johna@shopai.org.

Contractor must comply with Tribal TERO ordinance through contact listed above.
